Dear Sir:

The undersigned discussed the above-identified application in a telephonic interview conducted on September 10, 2008. Examiner Chapman graciously assisted in correcting a previously unnoticed typographical error relating to an omission of a reference to Figure 36 in the Brief Description of the Drawings. Applicant agrees with the Examiner's amendment addressing this issue as set forth with the Notice of Allowability mailed September 16, 2008. The undersigned wishes to thank the Examiner for the courtesy extended during that interview.

Respectfully submitted,
